

Warren J. Jackson Elementary

Through a caring community, our goal at Warren T. Jackson Elementary School is to challenge and prepare students to be independent thinkers, kind citizens, and passionate learners who are ready to change the world.

International Baccalaureate

The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment. These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.
